Name: _____ Student Number: _____

INSTRUCTIONS:

- Step 1. Refer to your Degree Audit, college catalog, or academic advisor to determine the course needed to complete your certificate or degree.
- Step 2. You may use either your ACT score, your Accuplacer score, or your high school GPA to determine placement.
- Step 3. Follow across the grid to find the course in which you have placed.
- Step 4. Use the score that places you in the highest course. You may choose to take a lower level course, although this may affect your financial aid.
