## Associate of Arts in Teaching Degree Program

- Overview
- Program Learning Outcomes
- Program Requirements
- Full-time Academic Plan

I selected the AAT in Teaching. If you open the Full-time Academic Plan, it will list the recommended courses for first semester planning. Most are 15 – 16 hours; however, depending on the student academic success and other plans such as work, I would recommend only 12-13 hours.

First Year				
Fall		Credit Hours	Prerequisites	Milestones/Notes
ENG 101	College Composition I (MOTR ENGL 100)	3	Placement score or ENG 030 or ENG 070 with a grade of "C" or better or recommendation of department and Reading Proficiency or concurrent enrollment in RDG 079.	Discuss academic plan and elective choices with an academic advisor
MTH 160 or 161	Precalculus Algebra (MOTR MATH 130) (or higher) or Quantitative Reasoning (MOTR MATH 120)	3	MTH 140 with a grade of "C" or better or satisfactory score on placement test, and Reading Proficiency.	
COM 101 or 107	Oral Communication I (MOTR COMM 100) or Public Speaking (MOTR COMM 110)	3	Reading Proficiency or concurrent enrollment in ENG 070.	
PSC 101	Introduction to American Politics (MOTR POSC 101)	3	Reading Proficiency or concurrent enrollment in RDG 079.	
	Humanities and Fine Arts Elective with MOTR designation	3		
	<b>Credit Hours</b>	<b>15</b>		

If the student wants/needs to be full-time (12 credit hours minimum), I might recommend ENG 101, Math, COM 101/107 and PSC 101. The student can make up the 3 hours in summer

# General Transfer Studies, Associate in Arts Degree

<b>Overview</b>	Program Learning Outcomes	Program Requirements
<b>Full-time Academic Plan</b>	<b>Recommended Concentrations</b>	

The same for General Transfer Studies (GTS). Recommended Concentrations are courses that students may want to select to meet electives or specific CORE 42 courses depending on their chosen path to earning a BS or BA degree.
